

Dear Associates

We would like to share with you the presentation as well as the video recording of Olympios's Presentation at the Retail Forum conference that took place earlier this month. The presentation is entitled **The Superheroes of Retail and the Power of Transformation**. Namely how Covid has transformed Retail into the Superheroes of the Cyprus Economy; What are the Challenges (Kryptonite) for the future and how the Power of Transformation can maintain growth and sustainability.

Please share it with the management and with others in your company for whom you believe that it will be useful.

**The presentation can be found on RAI Infostar – News – Presentations.**

The video (as well as the presentation) and can be downloaded from the RAI website, details of which can be found below.
